

Lead Paint Removal

Total Funding Available: \$100 Million

State Funding Available: \$5 Million (already awarded from last year's applicant pool)

Overview: Competitive grants to local governments and nonprofit organizations for lead paint removal related to older and low income housing.

Special Factors: Funds to be awarded first to qualified applicants that had applied under the Lead Hazard Reduction Program Notices of Funding Availability for fiscal year 2008 but were not awarded due to funding limitations.

Remaining funds will be added to the Lead Hazard program announced in the 2009 NOFA. Each 2009 applicant shall demonstrate capacity to carry out the proposed use of the funds.

Funding is available until September 20, 2011. Recipients must spend 50 percent of funds in two years and all funds in three years. The Secretary of Housing and Urban Development may recapture funds if timelines are missed.

How to Access Funding: All funding has already been awarded.
