

DATE: March 30th, 2025
TO: North Carolina League of Municipalities
SUBJECT: Ann Schneider: Letter of Endorsement

It's an honor to recommend Ann Schneider for continued service on the North Carolina League of Municipalities' Board of Directors.

Ann has demonstrated exceptional leadership and dedication as a municipal leader. I have had the pleasure of working closely with Ann for five years in our respective roles as local elected officials. She has consistently showcased her commitment to public service and community development.

Ann's energetic approach to leadership is truly inspiring. She has attended all League meetings in the past year, actively participating in and contributing valuable insights as a member of the League's Policy Committee, responsible for 2025-26 Legislative Goals.

I admire Ann as she consistently exhibits a strong understanding of municipal governance and has been instrumental in driving initiatives that promote the well-being of our community. She is a regular attendee of Town of Stokesdale meetings and often addresses our Town Council, keeping us informed of programs the League offers. Her strategic thinking, willingness to provide a helping hand, and ability to navigate complex challenges have earned the respect and admiration of many local elected officials and the general public in the northwest area of Guilford County, NC.

Ann is a natural leader who motivates and empowers those around her. I have seen firsthand the positive and productive work environment she is able to foster. Ann is currently completing her term as a Presidential appointee and in 2023 served on the Board of Directors of the League's Mayors Association. Furthermore, Ann has participated in and led workshops such as the Commit to Civility Program and attended Leagues events such as the Town & State Dinner.

The Town of Oak Ridge, NC is fortunate to have such a committed and enthusiastic elected official and leader in Ann Schneider. Her energetic and collaborative approach makes her a wonderful candidate to continue to serve on the Board of Directors.
