To Whom it May Concern:

I'm writing to offer my very strong support for Oak Ridge Town Councilwoman Ann Schneider's application to continue serving on the North Carolina League of Municipalities' (NCLM) Board of Directors. I believe that she would make an excellent Second Vice President or At Large board member for the League.

Ann is an active and outstanding local leader who has helped shape Oak Ridge's ambitious agenda over the last seven (7) years. I have had the honor of working with her on critical infrastructure needs as well as life enrichment opportunities for the citizens she represents. Councilwoman Schneider leads with a heart for serving others and delivers on her promises. She has been a highly effective, collaborative and transparent leader and as such would be a tremendous asset at the State level working with others.

The League needs leaders like Ann who know how to listen and work with municipal colleagues across the state, and how to move the League forward by crafting policy and programmatic solutions that serve the needs of our towns and cities.

I know that Ann has been a dedicated board member over the past year, and that she also served on the board of the League's Mayors Association. Her service on the League's Legislative Policy Committee to help shape its 2025-2026 Legislative Goals demonstrates her interest and expertise in policy matters and shows her commitment to the League's advocacy efforts. Ann has also been a valuable resource for Oak Ridge and surrounding towns, sharing League information and encouraging participation in League offerings.

I urge you to include Oak Ridge Town Councilwoman Ann Schneider on your recommended slate for the 2025 NCLM Board of Directors.

Sincerely,

Pat Tillman, Commissioner – District 3
