I am honored to submit this letter expressing my interest in serving on the Board of Directors for the North Carolina League of Municipalities.

As Mayor of Burgaw and the previous Tourism Director for Pender County, I have dedicated my professional and civic career to strengthening communities, supporting local economies, and building meaningful partnerships across North Carolina. These roles have given me the opportunity to work closely with municipal leaders, local businesses, regional organizations, and residents.

It would be a privilege to work alongside other elected officials and league staff to help guide and advance the work of the North Carolina League of Municipalities.

As a dedicated public servant, I have a passion for fostering growth, development, and strong relationships. I know I can continue to bring valuable perspectives, effective leadership, and collaborative skills to further this esteemed organization's mission.

My deep commitment to serving, sharing knowledge, and addressing the common challenges we face motivates me to continue advocating for the interests of our municipalities.

I strongly believe in the mission of the North Carolina League of Municipalities to advocate for local governments, provide valuable resources to municipal leaders, and foster collaboration across communities.

Thank you for your consideration. It would be an honor to contribute my experience, perspective, and commitment to the continued success of the League and the municipalities it serves.

Thank you for considering my candidacy.

Sincerely,

G. Olivia Dawson
