

TRUST MATTERS CONFERENCE

AGENDA

- | | |
|---------------------------|---|
| 8:00 – 9:00 am | Registration and Breakfast |
| 9:00 – 9:10 am | Opening Remarks |
| 9:10 – 10:00 am | Employment Practices: Managing Employees and Avoiding Litigation
Katie Hartzog, Partner, Hartzog Law Group
This session will focus on the prevention of common claims and pitfalls confronted by municipal leaders in effectively managing all aspects of the employment relationship. |
| 10:10 – 10:55 am | Contracts – Municipal Considerations Casualty Claims Trends
Bill Bulfer and Greg Lonnecker
Counsel will provide insights into the importance of proactive contract management and potential pitfalls. Claims will share insights into evolving casualty claims trends. |
| 11:00 – 11:45 am | Breakout Session What Is Your Property Worth Today?
Mark Hessel, HCA
The last several years have seen an unprecedented confluence of skyrocketing property rates, extreme weather events and rapidly escalating costs of construction. Implementing an appropriate appraisal plan for your property can assist in preparing for renewals and providing your underwriters with exactly what they need to remove potential penalties. |
| 11:00 – 11:45 pm | Breakout Session Managing Law Enforcement Auto Liability
Joe Graziano and Greg Lonnecker
Law enforcement vehicle operations pose significant liability risks that can impact municipal budgets and erode community trust. This session equips municipal leaders with a clear understanding of common auto liability exposures faced by police agencies and practical strategies to reduce risk. Through real-world examples, data-driven insights, and the application of technology, participants will uncover best practices for preventing claims, enhancing officer safety, and training while effectively managing claims. |
| 12:00 pm – 1:00 pm | Lunch |

This agenda is subject to change.

TRUST MATTERS CONFERENCE

1:00 – 1:45 pm

Breakout Session | Managing Sewer Backup Claims
Amy Whisnant

1:00 – 1:45 pm

Breakout Session | Cyber Liability Training
CJ Dietzman, Alliant

It's not IF it's going to happen, it's WHEN it's going to happen! Have you trained your employees to be prepared for cyber hackers? Do you have a protocol in place when making large payments? Have you purchased enough Cyber Liability limits?

2:00 – 2:50 pm

Managing Workers Compensation from a Supervisor's Perspective
Thelma Holt and Darius Chisholm

A supervisor training program focused on reducing overall costs, facilitating faster return to work, and promoting a supportive workplace environment.

2:50 – 3:30 pm

Q&A and Wrap Up
