North Carolina League of Municipalities
Attn: Nominating Committee

Dear Members of the Nominating Committee,

I am pleased to offer my strong and enthusiastic recommendation for Mayor Pro Tem David Hunt for consideration by the North Carolina League of Municipalities Board of Directors.

In my role as Town Manager for the Town of Ahoskie, I have had the opportunity to work closely with Mayor Pro Tem Hunt and witness firsthand his commitment to public service, thoughtful leadership, and dedication to the advancement of not only Ahoskie, but communities across North Carolina.

Mayor Pro Tem Hunt is a leader who understands that strong municipalities are the foundation of a strong state. He consistently demonstrates a forward-thinking, pro-growth mindset, balancing economic development, fiscal responsibility, and quality of life for residents. His approach is grounded in collaboration, data-driven decision-making, and a genuine desire to see communities thrive.

What sets Mayor Pro Tem Hunt apart is his ability to lead with both vision and practicality. He is equally comfortable discussing long-term strategic initiatives as he is addressing the day-to-day needs of citizens. He listens, engages, and works diligently to ensure that decisions reflect the best interests of the public while positioning Ahoskie, and North Carolina, for sustainable growth.

Beyond our local community, his perspective and leadership would bring meaningful value to the League. He recognizes the importance of municipal advocacy, intergovernmental partnerships, and the role that organizations like the North Carolina League of Municipalities play in strengthening cities and towns across the state.

I am confident that Mayor Pro Tem Hunt will represent the interests of municipalities with integrity, professionalism, and a clear focus on progress. He has my full support and highest recommendation.

Please do not hesitate to contact me if you need any additional information.

Respectfully,
