Dear Selection Committee,

I am writing to offer my strong support for Councilman Doug Matheson, for the District 10 seat with the NC League of Municipalities.

As a dedicated municipal leader, Councilman Matheson has consistently demonstrated a deep commitment to public service, thoughtful governance, and meaningful collaboration. During his tenure as a Council Member of the Town of Blowing Rock he has shown an ability to balance local priorities with a broader regional perspective—an essential quality for effective representation at the state level. Councilman Matheson demonstrated these abilities in part through his leadership roles at the regional High Country Council of Governments.

Councilman Matheson brings a practical, solutions-oriented approach to the challenges facing municipalities today. Whether working on issues such as infrastructure, economic development, public safety, or community engagement, he has earned the respect of colleagues and constituents alike through his integrity, responsiveness, and willingness to listen.

Equally important, Councilman Matheson understands the value of partnership among municipalities. He recognizes the strength in the ability to share knowledge, advocate collectively, and support one another in addressing both longstanding and emerging issues. His leadership style reflects inclusiveness, professionalism, and a genuine desire to ensure all voices are heard.

I am confident that Councilman Matheson will represent District 10 with distinction and contribute positively to the mission and effectiveness of the League of Municipalities.

Thank you for your consideration.

Sincerely,
