

New Safety Training:

OSHA-10

OSHA-10 is a 10-hour safety course designed by the Occupational Safety and Health Administration and offered at no cost to NCLM members. The program helps workers identify, avoid, and correct common on-the-job safety and health hazards while informing them of their right to work in a safe working environment.

Topics Include

- Hazard Communication
- Machine Guarding
- Recordkeeping
- Confined Spaces
- And Many More!
