REQUEST FOR QUALIFICATIONS
Village Engineering Services Sanitary Sewer and WWTP Upgrade

The Village of Bald Head Island (Village) is soliciting proposals to provide engineering services for sanitary sewer, wastewater treatment plant, upgrade funded by the Village’s Water and Wastewater Enterprise Fund. The Wastewater Treatment Plant (WWTP) will be upgraded to meet the Island’s needs. The identified area includes the Utilities Unit’s Wastewater Treatment Plant and all associated appurtenances and wastewater collection infrastructure. This WWTP expansion project will utilize the current SBR processing technology.

Firms that serve North Carolina local government entities are encouraged to respond. Services typically conducted by the selected firm include, but are not necessarily limited to, the items listed in this RFQ. Work shall be provided to the Village as described and as authorized by the Village Manager or the Village Manager’s designee.

Proposers shall be licensed to practice engineering in the State of North Carolina and be members in good standing with the North Carolina State Board of Examiners for Engineers and Surveyors. To avoid potential conflicts of interest, the Village will consider proposals from engineering firms, as well as individual engineers that have measures to isolate design services to preserve interests between public and private sector development interests.

Proposers shall provide three hard copies and one electronic copy on a flash drive containing the proposal in a sealed envelope clearly marked: “Village of Bald Head Island, NC - Village Engineering Services Sanitary Sewer WWTP Upgrade Proposal”. Proposals shall be submitted by 3:00 p.m. on August 13, 2021 to:

If in person and via US Mail:
Village Clerk
Village of Bald Head Island
106 Lighthouse Wynd
Bald Head Island, NC 28461

Questions concerning this RFQ should be submitted no later than 3:00 p.m. on August 6, 2021 in writing to:
JP McCann, Public Services Director
Village of Bald Head Island
Email: jmmccann@villagebhi.org

Questions must be titled “Questions Regarding RFQ for Village Engineering Services, Sanitary Sewer WWTP Upgrade.”
