FOR IMMEDIATE RELEASE  
January 15, 2020  
REQUEST FOR QUALIFICATIONS  
Town Engineering Services Sanitary Sewer Improvements GLF  

The Town of Selma (Town) is soliciting proposals to provide engineering services for gravity sanitary sewer improvements funded through a North Carolina Golden LEAF Foundation grant. Firms that serve North Carolina local government entities are encouraged to respond. Services typically conducted by the selected firm include, but are not necessarily limited to, the items listed in this RFQ. Work shall be provided to Town on an as described and as authorized by the Town Manager or the Town Manager’s designee.

Proposers shall be licensed to practice engineering in the State of North Carolina and be members in good standing with the North Carolina State Board of Examiners for Engineers and Surveyors. To avoid potential conflicts of interest, the Town will consider proposals from engineering firms, as well as individual engineers that have measures to isolate design services to preserve interests between public and private sector development interests.

The Town is engaged in discussions with the NC State Division of Water Resources, NCDEQ and Johnston County due to Inflow and Infiltration issues driving this project therefore timing is important. Construction start needs to be scheduled for the Spring or Summer of 2020.

Proposers shall provide three hard copies and one electronic copy on a flash drive containing the proposal in a sealed envelope clearly marked: “Town of Selma, NC - Town Engineering Services Sanitary Sewer Improvements GLF Proposal”. Proposals shall be submitted by 3:00 p.m. on January 31, 2020 to:

If in person and via US Mail:  
Jamie Whitley, Town Clerk  
Town of Selma  
114 North Raiford Street  
Selma, NC  27576

Questions concerning this RFQ should be submitted no later than 5:00 p.m. on January 22, 2020 in writing to:

JP McCann, Public Works Director  
Town of Selma  
Email: jmccann@selma-nc.com
