

To: Workers Compensation Insurance Participants
From: Gary Burkhardt & Steven Hulme
Subject: Workers Compensation Self Audit 2018-19
Date: July 19, 2019

1. Your Workers' Compensation Self-Audit package contains: 16 Pages
General Information Sheet 2
18-19 Self-Audit Form 3
Firefighters 2
Inmates 1
Employee Roster 1
Auxiliary Police Officers 1
Summary of Workers' Compensation Classifications and Codes 3
Contract Labor Form & Independent Contractor vs. Employee Checklist 2
Audit Checklist 1

2. Return Self-Audit Form, Employee Roster-list name and job titles, Contract Labor Form/Independent Contractor Checklist and if applicable the Auxiliary Police, Firefighter and Inmate Spreadsheets (and related NCSFA fire roster and contracts)

- A) Include copies of the ESC and 941 Tax Reports (first page only)
B) WC Report/Gross Wage Report/ Pay Type Report By Name - Your reports should list and include all pay types; active/terminated employees, job titles, WC codes-if they do not; please supplement accordingly. Do not include SS#'s please.
C) Overtime by employee (if not already listed in a separate report), year end payroll ledgers (last page only and only if you do not have a Gross Wage or WC Report), contracts and reconciliations. Keep a copy of your Self-Audit for your records.

3. Use the "Summary of Workers' Compensation Classifications & Codes" to identify the appropriate codes for your employees and keep for future reference.

4. Please use the checklist to make certain all necessary reports and documents are included.

5. Return by August 31, 2019 via email, fax or mail us a hard copy. Please keep a copy for your records as well.

Please note: Failure to return the audit by December 1st will result in an estimated audit being processed. The estimated audit will be processed by applying a 25% debit to the payroll listed in your policy.

This year your WC Self Audit is in Excel. There is a tab at the bottom of the worksheet for each section of the audit. If you cannot open Excel, please go to our website and a PDF version is also available. If you cannot open either, please call or email us and we can mail you a hard copy.

If you need help, please contact:

434 Fayetteville Street, Suite 1900
Raleigh, NC 27601

Table with contact information for Gary Burkhardt and Steven Hulme, including Office, Mobile, Fax, and Email addresses.

GENERAL INFORMATION

When your Workers Compensation policy was issued, you paid a deposit premium based on the estimates of your payroll. At the end of the policy period, we conduct an audit to compare those estimates against the actual payroll figures. An adjustment will be made if the estimated payroll and premium is different than the actual payroll. These adjustments are subject to any minimum premiums that apply.

Completion of the Self-Audit Form is the final step in the calculation of premiums for the fiscal year. As noted above it will determine any refund due to you or any additional premium due to NCIRMA. If you have questions as you go through this process, please do not hesitate to call.

Before you begin the self-audit forms, please review all information provided in the self-audit package. The "Summary of Workers' Compensation Classifications & Codes" should assist you in applying the correct classification to all employees according to the jobs they perform. Refer to the Interchange of Labor Rule to determine how the payroll will be assigned to the individual classification codes.

Your self-audit must begin by reporting the actual gross wages for all employees (active and terminated) – full-time, part-time, temporary and seasonal, employed by you from July 1, 2018 through June 30, 2019. Your gross wages will balance back to your trial balance and your payroll records for the fiscal year (+/- accruals).

If your municipality contracts with a correctional institution for inmate labor you will be responsible for their workers' compensation (Inmate Contract Section: VI/Medical). Please use the Inmate spreadsheet to list your invoices for the fiscal year. Mayor/Council Members are rated using a payroll of \$5,000 each. This amount cannot be changed even if they receive more or less than this amount.

Firefighters (including volunteers filling in for paid firefighters) that are paid an hourly rate are classified in 7704 for the hours that are worked. Volunteer firefighters (unpaid) that you have control over and do not have their own charter are rated at a minimum of \$1,000 each. Volunteers that are paid a stipend or not paid at all are classified in 7705. We will use either the minimum payroll of \$1,000 times the number of volunteers or the actual stipend paid to volunteers, whichever is higher. The base rate of \$1,000 cannot be lowered. You will need to provide us with a copy of the Fire Department Roster submitted to the NC State Fireman's Association. The roster needs to reflect the status of the firefighter. We need to know if they are "Paid," "Volunteer" or a "Retired" firefighter. If they are "Retired," it will be assumed that they are "Retired Inactive" unless their status indicates "Retired Active." A "Retired Active" firefighter still responds to fire calls and is covered for workers' compensation. The "Retired Inactive" firefighter is not covered. If it is not notated, please have your Fire Chief indicate the status. Please indicate on the fire roster any junior firefighters, retired inactive firefighters, or ladies auxiliary; they are not covered by Workers Compensation in our policy and will not be included in the audit. If the volunteer firefighter is filling in for a paid firefighter, you may split the fill in pay (7704) from their stipend or call pay (7705). Make sure your records reflect this split or that you create a spreadsheet that validates how you split their pay.

Volunteer EMS workers (unpaid) are rated at the higher of 1) \$1,000 minimum payroll for each volunteer, or 2) stipend. We will need to have a list showing each volunteer rescue worker.

Auxiliary Police (unpaid) are rated at \$600 minimum payroll. We will need a list showing all auxiliary police officers. Please note that the auxiliary police code is applicable only if you have an ordinance providing for the organization of an auxiliary police department made up of volunteer members. (NCGS160a-282). If Auxiliary Police are paid, they lose their status as an auxiliary police officer and thus should be included under the code 7720.

Park Personnel that are volunteers and/or any other volunteers are not considered employees, and are not covered under your workers' compensation policy. You might want to consider getting a separate accident policy for them.

We are enclosing a copy of the Independent Contractor vs. Employee Checklist (see tab below). If you pay anyone that does not have a Workers' Compensation policy, they must complete and sign this form. If the contractor has three or more employees, they are required by law to carry their own workers' compensation policy.

SUMMARY OF WORKERS' COMPENSATION CLASSIFICATION & CODES

WC Code

- 0042 Landscape Gardening-applies to new landscaping installations (includes planning, clearing, "fine" grading and planting of new plants, shrubs, trees, sod, etc.)
- 5506 Street or Road Construction: Paving or Repaving & Drivers-applies to street or road construction involving paving or surfacing new streets or roads or repaving or resurfacing or scraping existing streets or roads, painting safety lines or center stripes and installing curbs and gutters.
- 7380 Drivers-including bookmobile drivers.
- 7423 Airport-applies to ground crews, ticket sellers, information clerks, baggage handlers, mechanics, service personnel, cargo handlers, porters, security or screening personnel, fuel attendants, etc., other than clerical office employees.
- 7520 Water only-Covers all operations of water treatment plants, pump stations, well, meter readers, repair & maintenance of existing water lines. Also includes drivers.
- 7539 Electric Light or Power Not Otherwise Classified (NOC)-applies to municipalities engaged in the operation of public electric light or power to its citizens. Includes plant employees, electric meter readers, drivers and tree trimmers that clear for power lines.
- 7580 Sewer only-Covers all operations of a sewage disposal plant, lift stations and repair & maintenance of existing sewer lines. Also includes drivers.
- 7581 Water & Sewer Combined Operations-Includes employees that work in both departments but cannot document actual hours worked in each job. Typically these employees work in the (sewer) collection and (water) distribution departments which are involved in water and sewer line maintenance. Rev. 7/1/2014
- 7701 Public Safety Officer-Trained and certified in both fire and police. Responds to emergencies in both capacities.
- 7704 Firefighters - Paid-includes career fulltime and p/t paid firefighters, fire truck drivers and mechanics who work on fire trucks. The firefighters may also be trained and certified as EMS, Rescue, Emergency First Responders and Hazmat Response. (Separately rate employees who perform only EMS duties and no firefighting to Code 7706). Also may include Retired Active Firefighters-see "Note" in code 7705.
- 7705 Firefighters – Volunteers -certified volunteer firefighters who are under the direction and control of the municipality. The volunteer firefighters may also be trained and certified as EMS, Rescue, Emergency First Responders and Hazmat Response. Junior Firefighters, Retired Inactive Firefighters and Ladies Auxiliary are not covered. Rated at \$1,000 per firefighter as a minimum. (Separately rate your volunteer's fill-in pay as Code 7704 if your records reflect a separation in call pay/stipend pay from the hourly fill-in pay. If not, include all of the volunteer's pay in code 7705. If your fire dept. is 100% volunteer, you should not have any pay in code 7704). "Note: The roster needs to reflect the status of the firefighter. We need to know if they are "Paid," "Volunteer" or a "Retired" firefighter. If they are "Retired," it will be assumed that they are "Retired Inactive" unless their status indicates "Retired Active." A "Retired Active" firefighter is covered for workers' compensation and the "Retired Inactive" firefighter is not covered. if it is not notated, please have your Fire Chief indicate the status."
- 7706 EMS Rescue Squad (only EMS duties and no firefighting) –Paid and Volunteers-includes ambulance services, emergency medical services (EMS), rescue and first aid squads, first responders, paramedics and emergency medical technicians (EMT) that are not fighting fires. Includes both paid and volunteer personnel (volunteers are rated at \$1,000 each as a minimum). Separately rate firefighters who also perform EMS to Code 7704 and 7705.
- 7720 Police Officers & Drivers-sworn full and part-time police officers, meter maids, parole officers, crossing guards, clerical personnel (who are in an area exposed to police activities) and officers who also act as animal control. See Auxiliary Police (7721) for unpaid officers. Motorcycle police officers are classified in code 7723.
- 7721 Auxiliary Police –Unpaid – (Auxiliary Police Ordinance required)-sworn police officers who work predetermined unpaid hours for re-certification purposes only and are not paid for these hours. Rated at \$600

Summary of WC Class Codes

- 7723 Police – Motorcycle - Includes motorcycle police officers.
- 8017 Store-Retail NOC-applies to retail stores (example ABC Store)
- 8380 Garage (Auto Repair)-central garage used for all municipal departments. Includes mechanics that perform service or repair on municipal automobiles, vans, trucks and motorcycles.
- 8742 Outside Sales-applies to outside sales persons, consultants, messengers, marketing managers, ombudsman, who are engaged in such duties away from the employer's premises, (COGs)
- 8810 Clerical-clerical staff, municipal clerks, finance directors, human resource directors, library operations (except bookmobile). Also applies to utility billing clerks, planning or permit techs that are engaged wholly in office work. There is no division of payroll allowed for code 8810; unless there is a permanent change of position.
- 8820 Attorney-applies to attorneys who are employees of the local government entity and receive all benefits as a paid employee.
- 9015 Building – (Maintenance) - general maintenance of municipal office buildings and surrounding grounds;
- 9033 Housing Authority & Clerical, Salespersons, Drivers-includes all employees.
- 9060 Club – Golf & Clerical -applies to golf clubs operated by municipalities.
- 9061 Senior Citizen Club/Center & Clerical-applies to employees working in senior citizen centers that plan and oversee distribution of meals, supervise exercise or craft instruction groups, plan or supervise other senior center service-oriented programs and activities.
- 9102 Parks & Recreation -all park and recreation employees (including lifeguards, referees, umpires and class instructors). Includes the care, custody, maintenance of all buildings and grounds within the parks. Includes mowing in the parks and all other grounds. Cemetery mowing is also included in this code (backhoe operation at a cemetery is included in code 9220).
- 9154 Theater NOC-All other employees-includes managers, stage hands, box office employees, ushers, attendents, theatrical production employees and motion picture operators.
- 9220 Cemetery-applies to employees who work in cemetery operations: includes maintenance, mowing, planting of shrubbery, maintenance of graves and mausoleums, digging of graves (unless contracted). If the employee has mowing and general yard maintenance duties only, they should be classified in 9102 – see Parks & Recreation.
- 9402 Street Cleaning & Sewer Line Cleaning-includes all street cleaning operations, leaf & limb removal, snow removal, incidental cold patch repair of pot holes, spraying for mosquito or insect control. Cleaning of mainline sewers and storm sewers, sewer inspection and crack sealing operations. Also includes employees which have multiple duties/jobs including but not limited to water, sewer, streets, cemetery and garage.
- 9403 Sanitation – Garbage & Bulk Collection & Drivers-includes garbage removal, white goods such as refrigerators, stoves and washers. Also includes employees which have multiple duties/jobs including but not limited to water, sewer, streets, cemetery, garage and sanitation.
- 9410 Municipal NOC (Not Otherwise Classified)-includes building inspectors, engineers not directly in charge of work, safety coordinators, code enforcement, planning and zoning employees (that have outside duties), downtown development coordinators, public works directors who only indirectly supervise operations (they cannot be directly supervising or working with the public works employees), animal control (not sworn police officers).
- 9410 Public Works Director-The Municipal NOC code (9410) will apply to the Public Works Director whose job duties reflect that they exercise operational control indirectly through full-time job supervisors (supervision is indirect rather than direct). This code does not apply to those persons that are directly in charge of the workers at the job site or those that are performing any degree of the actual work at the job site.
- If the Public Works Director is directly in charge of the workers at the job site (not supervising a supervisor) or is performing any degree of the actual work at the job site, then the Public Works Director will be coded to the appropriate class code (7520, 7580, 7581, 5506, 9402 or 9403).

9554 Sign Installation, Maintenance, Repair, Removal or Replacement-adjacent to highways, streets, etc. (includes street and traffic signs).

9990 City Manager – Office Duties Only-applies to City/Town/Village Manager or Administrator who is responsible for the overall operation of the municipality and works inside an office setting. May attend meetings and visit with residents.

9991 City Manager – Office Duties Plus Other Duties-applies to City/Town/Village Manager or Administrator who is responsible for the overall operation of the municipality; works inside an office setting but also may perform code enforcement, building inspections, zoning compliance or other related duties.

9993 Inmate Labor -requires a contract between the municipality and the correctional facility that places the inmate under the supervision and responsibility of the town. The contract usually states the municipality is to pay \$1.00 per day per inmate to the correctional facility. Rated at \$41 per inmate day.

9994 Board Members - COGs, ABC, Housing, Others-by endorsement only; at \$5,000 each-elected or appointed members as described in GS97-2. Board members who serve in an advisory capacity only (i.e., planning boards) are not eligible for coverage under this policy.

9996 Mayor/Council Members-voter-elected municipal governing board members. Rated at \$5,000 per member.

N/A Planning & Zoning Board Members--these board members serve in an advisory capacity only and are not covered by this policy.

Interchange of Labor Rule:

Some employees may perform duties directly related to more than one classification. For example, an employee may work in the water and wastewater departments. The payroll may be divided between classifications provided that the employer maintains proper payroll records, which show the actual payroll by classification for that individual employee. Records must reflect actual time spent working within each job classification (**estimated or percentage allocation of payroll is not permitted**).

If payroll records do not show the actual payroll applicable to each classification, the entire payroll of the individual employee must be assigned to the highest rated classification that represents any part of his or her work.

Overtime

Definition: Overtime means hours worked for which there is an increase in the rate of pay.

- A. For work in any day or in any week in excess of the number of hours normally worked.
- B. For hours worked in excess of 8 hours in any day or 40 hours in any week.
- C. For work on Saturdays, Sundays, or holidays.

This is the half-time only---->

This is the time and a half 1 1/2 ---->

If the records show...	Then...
Extra pay earned for overtime separately...	The entire extra pay is excluded.
Total pay earned for overtime (regular pay plus overtime pay) in one combined amount, and time and one-half is paid for overtime...	1/3 of this total pay must be excluded.
Double time is paid for overtime, and the total pay for such overtime is recorded separately...	1/2 of the total pay for double time must be excluded.

Contract Labor Form

Do you use outside contractors? Yes No

If Yes, do you have Certificates of Insurance on all contractors: Yes No

If No, please fill out following Contract Labor Form and have the contractor fill out the Independent Contractor Checklist:

If you use contract labor or individuals for contracted work, please note the following: under state law, any entity with three or more employees is required to have a Workers' Compensation policy. Those contractors with less than three employees can purchase a workers' compensation policy, but are not required by the Workers Compensation Act to do so. This does not mean that you are not responsible for injuries. **You should require all contractors to have a Workers' Compensation policy and retain copies of the Certificates of Insurance on all contractors.**

For those entities or individuals who render services to you but don't provide a Certificate of Insurance, the following may apply: If the duties of the entity or individual(s) resemble those of an employee, the individual(s) may be considered your employee and the appropriate premium charged. Please see the "Independent Contractor vs. Employee Checklist" to assist you in determining the actual working relationship between you and the entity or individual(s).

List all uninsured contractors you used, in this fiscal year that did **NOT** provide you with a Certificate of Insurance (proof of WC coverage). Also include job performed and the amount paid for the service.

Contract Labor Form

Uninsured Contractors-please list and also attach a copy of the Independent Contractor vs. Employee Checklist	Job Performed	Amount Paid

Contract Labor Form & Checklist

Named Insured: _____

INDEPENDENT CONTRACTOR vs. EMPLOYEE CHECKLIST:

Whenever any public entity retains an independent contractor who does not carry workers' compensation insurance and the owner or an employee of that contractor is injured, a determination must be made as to whether the injured worker is truly an independent contractor or, in fact, is an employee of the public entity and, thereby, eligible for worker's compensation benefits through the entity. The NC Industrial Commission and NC Courts have used the following tests to make this determination. Please complete the information below for each independent contractor that has **NOT** provided you with a Certificate of Insurance for Workers Compensation (proof of Workers' Compensation policy). The person doing the work should complete the checklist.

Name of Independent Contractor: _____

Type of Work Performed: _____

Type of Business (circle one): Individual, Sole Proprietor, Partnership, LLC, Incorporated

Duration of Contract: _____

How many total employees does the contractor employ (including owner (s))? _____

How many total employees does the contractor employ (excluding owner (s))? _____

- | | Yes | No |
|---|-------|-------|
| (a) Is the person/business employed engaged in an independent business or occupation? | _____ | _____ |
| (b) Does the person/business employed have a Federal Tax ID number? | _____ | _____ |
| (c) Does the person/business employed perform similar work for any other business/individual? | _____ | _____ |
| (d) Does the person/business doing the work have the right to hire or fire any employee/helper of the business doing the work? | _____ | _____ |
| (e) Does the person/business employed have control over such employees/helpers? | _____ | _____ |
| (f) Does the person/business employed select their own time to perform work? (for example, your entity does not tell the person to work specific hours during the day) | _____ | _____ |
| (g) Does the person/business employed have the independent use of his special skill, knowledge or training in the execution of the work? | _____ | _____ |
| (h) Is the person/business employed paid for the job in a lump sum amount (not paid by the hour)? | _____ | _____ |
| (i) Does the person/business employed have the freedom to use their method of doing the work rather than another and is not subject to discharge because they adopt one method over another method? | _____ | _____ |
| (j) Is the person/business employed furnished tools or equipment owned by you? | _____ | _____ |

None of these factors is controlling, but each is to be considered in determining the relationship between the parties. The essential issue is whether the alleged employer has the right to control the method and means by which the "employee"/business performs their work. RMS will attempt to determine whether an employment relationship exists for insurance purposes only.

Signature of Person/Business doing the work
